

Edible Compost

This activity reinforces what types of things can be put into compost. Different types of food represent different types of compostable materials:

- ✓ Crushed up Oreos represent soil
- ✓ Green coconut represents grass clippings
- ✓ Pretzel sticks and frosted flakes represent sticks and leaves
- ✓ Dried fruit represents food scraps.
- ✓ All of the ingredients are mixed up and then the worms come...Gummy Worms that is!

Wiggle Worm

Dirt Pudding

This activity is reserved for small groups.
